PARTS CATALOG FOR SCHOOL BUSES **AND MORE!**

Thank you for choosing Blue Bird...and Blue Bird parts!

As a seller of the most recognized and trusted brand in student transportation vehicles, your nearest **Blue Bird Authorized Dealer** is your best source for original equipment and aftermarket parts to keep your fleet in top shape. Your Blue Bird Dealer is staffed with true school bus parts experts; and the Parts and Service team at the Blue Bird home plant in Fort Valley, GA partners with industry leading component manufacturers to bring you top quality at competitively attractive prices.

Many of the leading-brand components used in the assembly of Blue Bird buses also occur in a broad range of medium duty truck applications, as well as other brand school buses. And that's what this catalog is all about. We hope you'll keep it handy as a quick lookup tool for many of the most frequently-needed replacement parts for your Blue Bird buses, other brand school buses, and even for other vehicles you may service in your facility.

Just browse the catalog for the Item To Order numbers you need, contact your Blue Bird Dealer for current pricing, and we'll take care of the rest.

Blue Bird's state-of-the-art Parts Distribution Center provides over 2.1 million cubic feet of clean, modern storage for over 40,000 items (and growing). And our business partnerships enable us to ship many more items to you directly from the manufacturers' warehouses, saving you time and money.

Of course it's not possible to list all our offerings in the **QuickRef** catalog. Be sure to contact your Blue Bird Dealer for all your maintenance, OE, and aftermarket parts needs. We welcome your input and look forward to serving you!
