Explore the MPV Difference

| Multi-Purpose Passenger Vehicle | Passenger Van or SUV | Winner? |
|---|--|-------------------|
|  |  | |
| Carries 9 plus the driver for a total of 10 passenger | Can carry up to 10 but more likely 7 or 8 passengers in SUV | MPV |
| Reinforced school bus construction standards with safety cage | Automotive construction standards | MPV |
| Ample storage behind rear seats | Minimal storage | MPV |
| Wide center aisle for ease of loading & unloading | Cramped passenger space with no center aisle | MPV |
| 66" headroom | Lower headroom varies by model | MPV |
| Rear emergency exit door | None | MPV |
| 360° visibility with More-View window forward of entrance door | Limited visibility | MPV |
| Large rearview mirrors | Standard automotive mirrors | MPV |
| LED exterior lights for visibility | Standard incandescent lights | MPV |
| Purchase price for 2016 Micro Bird by Girardin MPV on Ford Transit T250 Chassis: starting at \$46,550 | 2016 Chevy Suburban, base model, 2WD, starting at \$47,479* 2016 Ford Transit Wagon XL, base model, starting at \$35,116* (* Source: Kelley Blue Book Fair Purchase Price) | You Decide |
