

BLUE BIRD

Vision Diesel

An icon in school transportation, the **Blue Bird Vision Diesel bus** comes with our unwavering commitment to passenger safety, durability, service and support. Our dedicated team of field service engineers focuses exclusively on school bus operations.

With its exceptional driver visibility and maneuverability, the Blue Bird Vision bus shares many body parts with the Blue Bird All American bus, resulting in a reduction in parts and service complexity. With multiple fuel types and powertrain options available, **each bus is specifically tailored to each customer** - allowing you to choose what works best to reduce your total cost of ownership and your specific operating requirements.

From chassis to body to cockpit, the **Blue Bird Vision** is a winner: a purpose-built school bus from a purpose-driven company that is clearly best-in-class.

Specifications

Body Specifications
