

# EV TECH TRAINING WORKSHOP

August 13, 2024

8:00 am to 4:00 PM

**Beaverton School District  
Transportation Support Center  
1270 NW 167th Place  
Beaverton, OR 97006**

## IMPORTANT DETAILS

Due to the level of interest in these classes, we may have to limit attendees. We will offer a wait list if space becomes available.

There is no cost for the training. Attendees are responsible for their own travel & lodging costs.

Light breakfast and lunch provided each day.

**For school district technicians that have Blue Bird Electric School Buses in their fleets**

**Tuesday, August 13th**

Learn all about Blue Bird's Electric Powered school buses, including safety, maintenance, troubleshooting, component identification, charging, & more

## TWO WAYS TO REGISTER:

Visit [www.westernbus.com/training](http://www.westernbus.com/training)

Or, scan the QR code to be taken directly to the signup form

**Space is limited, so don't wait!**
